GISSAH

May 2026

Director of E-Commerce & Omnichannel Growth | Digital Commerce Strategy | P&L Leadership | CRM, Loyalty & Marketplaces | Scaling Revenue Across GCC, UK, Europe & USA

- Own end-to-end ecommerce and digital growth strategy across multiple markets; accountable for revenue, profitability, acquisition, retention and LTV.
- Manage the ecommerce P&L, budgeting and forecasting to align commercial plans with margin and growth targets.
- Design and execute omnichannel experiences that integrate online, instore and marketplace journeys to maximize conversion and customer satisfaction.
- Lead marketplace strategy and operations across regional and international platforms to drive incremental revenue and brand reach.
- Direct CRM, loyalty and lifecycle programs using automation and segmentation to boost repeat purchases and LTV.
- Establish measurement, attribution and experimentation frameworks to prioritize initiatives and improve ROI.
- Partner with merchandising, supply chain, finance and tech to optimize inventory, fulfillment and unit economics.
- Build and mentor crossfunctional teams across ecommerce, marketing, CX and marketplace operations.
- Identify and execute market expansion and partnership opportunities across GCC, UK, Europe and North America.

Blooming Wear, Riyadh

Feb 2024 to May 2026

Director of E-commerce & Digital Marketing | Digital Transformation, Online Advertising, SEO/SEM

- Spearheaded Blooming Wear's complete digital shift onto Salla, creating consistent customer experiences across channels and achieving 200% year-over-year growth in e-commerce revenue through combined marketing strategies and strategic planning.
- Transformed Blooming Wear's mobile user interface, which cut down page loading speeds by an impressive 45% and notably boosted mobile conversion rates by 22% within only six months.
- Catalyzed scalable digital sales strategies via precision-targeted paid advertising campaigns and insightful data-driven trading analyses, achieving an elevated average order value (AOV) by 25%.
- Architected a multi-channel marketing framework via MoEngage and CleverTap, connecting online and offline commerce, lifting repeat purchase rate by 40% and strengthening loyalty through effective CRM and marketing operations.

- Cultivated a high-performing, cross-functional digital operations team of 10+ members spanning marketing, analytics, and technology, thereby achieving a 50% improvement in efficiency through streamlined workflows and strong team leadership.
- Forged strategic alliances with 5+ key industry players and capitalized on emerging market trends, achieving a 35% expansion in market reach and diversifying revenue streams.
- Embedded measurement and experimentation (analytics, reporting, iteration) to continuously optimize customer engagement and ROI, aligning with KPIs and performance tracking.

Saudi Company For Hardware - SACO

Mar 2022 to Jan 2024

Senior E-commerce & Digital Marketing Manager | Online Advertising, SEO/SEM,
